

Do you hear us singing Lord

Do you hear us singing Lord
do you hear our cries
Do you see us dancing Lord
do you see us fight
Do you feel our joy oh Lord
do you feel our pain
Are you there to hold us Lord
when we loose our way

We thank you
we praise you
we call your holy name
to go Lord
to all Lord
who need your loving ways

We ask for your compassion Lord
when all we feel is pain
We ask for your forgiveness Lord
when life leads us to stray
We ask to stop our fighting Lord
when all we want is die
We ask to see you holy Lord
when all we do is sigh

We thank you
we praise you
we call your holy name
to go Lord
to all Lord
who need your loving ways
